

DHE Computer Systems, LLC Appoints Dan Hammack to CEO and Greg Ingram to CFO

DHE Computer Systems, LLC, a leader in IT solutions, today announced the appointment of Dan Hammack to Chief Executive Officer (CEO), and Greg Ingram to Chief Financial Officer (CFO) effective December 2nd, 2024. Elena Hammack, DHE's current CEO, will transition to the role of Board Chair, supporting the company's strategic growth initiatives. Dan Hammack will transition from his role as CTO to lead the company in expanding its SLED (State, Local, and Education) business while driving growth in commercial markets. Greg Ingram will be transitioning to CFO overseeing all financial operations and driving the company's growth initiatives in the new year.

Founded in 1989, DHE Computer Systems is a trusted, certified reseller and service provider for leading global technology providers. With a proven track record of delivering full-stack, tailored solutions to thousands of businesses and school districts nationwide, the company is recognized for its leadership in the State, Local, and K-12 Education sectors. Building on its reputation for excellence, DHE is expanding its offerings into the commercial space focusing on markets including Higher Education, Healthcare, Retail, and Manufacturing as a preferred partner for technology-driven efficiency and transformation.

"We have made significant organizational changes to support DHE's growth, and I am excited to continue leading our passionate teams and delivering best-in-class solutions to our customers. We are honored to have Elena on the Board of Directors during this exciting time in our family business," said Dan Hammack. Greg Ingram echoed Dan's enthusiasm going into the new year "I'm honored to step into the role of CFO during such an exciting time in the company. I look forward to the continued partnership with Dan and Elena as we grow DHE's reach."

Elena Hammack, co-founder, who has served as CEO of DHE since January 2014, expressed confidence in the company's new leadership. "It has been an honor to serve as DHE's CEO for the last 10 years. The past decade has been marked by growth, and I am confident in Dan and Greg's leadership to continue that trajectory. Personally, I'm most excited and ready for my next full-time role as a grandparent to my two granddaughters."

DHE Computer Systems, LLC has restructured to support this transition, with a leadership team reporting to Dan Hammack, including Daniel Hammack, CIO; Merry Hammack-Wenokur, VP of Sales and Operations; Greg Ingram, CFO; Jessica Strandquest, Director of Marketing; and Ashley Simms, Commercial Sales Manager.
